Also, if an approved applicant misses their leasing appointment they will be withdrawn. Applicants are needed for efficiencies in Rochester, New Brighton, Monaca, and Ambridge and families are needed for Aliquippa, Beaver Falls, Ambridge, Midland, and Freedom. HACB requires that fingerprints are completed by the deadline or the applicant will be withdrawn for 1 year. Applicants can self-certify for their social security card. ## **27. CoC Governing Board Selection Process**

According to 24 CFR 578.7, the Continuum of Care is responsible to establish a board to act on behalf of the Continuum using the process established as a requirement by § 578.7(a)(3) and must comply with the conflict-of-interest requirements at § 578.95(b). 578.7 also states that the board must:

- (1) Be representative of the relevant organizations and of projects serving homeless subpopulations; and
- (2) Include at least one homeless or formerly homeless individual

In Beaver County, this board is our CoC Steering Committee. It will meet on a quarterly basis under the guidance and leadership of the CoC Coordinator.

In addition to the HUD requirements listed above, Beaver County is also committed to the work of including individuals on the Steering Committee who are black, indigenous, and/or people of color and other marginalized populations who often face homelessness at higher rates than non-marginalized populations.

The process for board recruitment includes:

- The Collaborative Applicant (CA) and Continuum of Care Coordinator will invite entities who are representative of the organizations and programs who serve households who are homeless.
- The CA and CoC Coordinator will also seek partners who render relevant ancillary services to households who are homeless.
- New members will be recommended as their expertise is needed and to replace members who leave the board.
- Entities who are interested in serving on the board may submit a letter of intent to the CoC Coordinator who will review the request with the Collaborative Applicant to render a decision.
- The CA and CoC Coordinator will then vet candidates for potential conflict of interest issues prior to recommending them to the Commissioners as a new member to the board. The Commissioners will review the recommendations and will make the final decision on approval.

Board Members are expected to:

- Follow all requirements listed throughout the Governance Charter and to uphold the policies in the CoC Policies & Procedures
- Avoid Conflicts of Interest through recusal when such issues surface.
- Make every effort to attend at least 75% of the annual meetings.

The CoC Coordinator will review this process with the Housing & Homeless Coalition every 5 years and seek their vote for either continued approval or amendment. Coalition members will be notified in advance of the meeting when the vote will be held.

*Adopted by the CoC Steering Committee through electronic vote on 9/30/2021.*
